Mixed Media Artist

infobeagrob.com

I'm a Mixed Media Artist and formerly hand weaver from Switzerland.

Color was and is always the reason for me to work, wether with threads, on canvas,with paper and what not.

I have passed several Fibre and Art related educations in Zurich, but also commercial school or the latest addition Educations for Educators Level.

I did teach art and craft classes for about 20 years

Until last year I did run for 15 year an art craft show HandwerkKunst every year, which was one of the biggest Art & Craft shows in Switzerland with about 60 to 70 artists in a old Knights house.

I'm a Youtube Creator (find me under Bea Grob)

Languages: German, English, French
